

MEDIA RELEASE

Riccardo Triunfo appointed CEO of Inpeco Group

Novazzano, Switzerland, June 1st, 2024.

We are pleased to announce that Riccardo Triunfo, Executive Vice President, has been appointed Chief Executive Officer (CEO) of the Inpeco Group, with immediate effect.

In his new role, Riccardo will report to Gian Andrea Pedrazzini, Founder and President of the Inpeco Group, and will focus on accelerating the company's commercial expansion and diversifying the product portfolio into anatomical pathology, blood banking, life sciences, and data processing and management. Additionally, he will work on developing the organization to ensure its future success.

The Board of Directors reaffirms the full commitment to transforming Inpeco into an independent global leader in healthcare and data automation.

We welcome Riccardo to his new role and wish him all the best in his work.

About Inpeco

Inpeco is the global leader in Total Laboratory Automation. The company's game-changing solutions combine open connectivity with full sample traceability to deliver secure test results and increased productivity to clinical laboratories around the world. To date, more than 2600 Inpeco systems have been shipped to over 78 countries. The Group is headquartered in Novazzano, Switzerland, and operates a development and manufacturing facility in the Piedmont region, Italy, as well as sales and service offices in Europe and the U.S.
